CHOKKA BLOCK

POP-TOP ROOF ALIGNMENT GUIDE | MODEL COMPATIBILITY

COMPATIBLE MODEL RANGES

CHOKKA BLOCK roof alignment guides are designed for the following Jayco pop-top and compatible roof configurations:

- Expanda Pop Top – standard variants
- Expanda Outback Pop Top – all variants
- Journey Pop Top – standard variants
- Journey Outback Pop Top – all variants
- Starcraft Pop Top – newer models
- Starcraft Outback Pop Top variants
- Crosstrak Hybrid Pop Top – newer models
- Crosstrak Off-Grid / compatible variants

IMPORTANT FITMENT INFORMATION

Roof brackets, clearances and fittings may vary by build year, factory configuration or aftermarket modification. Confirm the roof and bracket arrangement on your particular caravan before installation. Do not obstruct seals, catches or moving roof mechanisms.

CHOKKA BLOCK is an alignment guide, not a repair for damaged struts, lifting arms, brackets or structural components.
